EVENT Photography

dbp has attended and photographed numerous diverse events and is recognised as offering a professional service at a competitive price.

Recent events include corporate and family parties, proms, balls and school functions.

Photographs can be viewed and bought at the event. Supplied in a good quality mount and protective bag.

Your prints will remain in pristine condition all evening, ready to take home.

Christmas parties, fancy dress all lend themselves to event photography, and what better memento than a mounted high quality, long lasting colour print.
